Daily Schedule:

The Before School Care Program will be directed by some of our Lancaster Elementary School teachers. They will accept students promptly at 6:45AM. The Program will provide a healthy secure environment that promotes a positive self-image and fosters an atmosphere of mutual respect and cooperation.

There will be no morning care offered on school holidays.

Discipline Policy:

The administration, faculty, and students at Lancaster Elementary School realize that effective discipline is necessary to provide a safe and positive learning environment in order to give every student the opportunity to maximize his/her potential. To this end, the students, faculty, and administrators have worked together to develop a School-Wide Positive Support and Discipline Plan. This plan is reviewed each school year to provide for the ever-changing needs of our students. When this plan is sent home at the beginning of each school year, it is the **responsibility of every parent** to see that his or her child is familiar with and understands the Discipline Plan. Likewise, it is the responsibility of all personnel and administrators to see that the Discipline Plan is consistently and fairly carried out.

The Before School Care Program is an important part of Lancaster's educational program. In order for a student to attend the Before-Care Program he/she must abide by all rules and regulations of the Discipline Plan. Parents will be notified of any discipline problems on the part of their child. If the problems continue, the student will be referred to the principal's office. **Students who consistently choose to act in an inappropriate manner at the Before-Care Program will not be allowed to attend. Severe infractions may warrant immediate removal from the program.**

It is necessary that the parent or guardian complete the special needs form if their child has special needs that are to be met in the child care program. Food allergies are to be included in these special needs. If the student has an IEP/504 Plan, the parent must inform the Director of a current IEP/504 Plan. In addition, the parent or guardian must sign that they are fully aware of the fee structure and specific guidelines of the program.

Fees must be paid promptly and all rules and regulations of Lancaster Elementary School's School-wide Discipline Plan must be observed by children in order to attend the Before School Care Program.

For additional information please contact the front office at (985) 792-0156. **Emergency Cell (985)635-1974**
