August 09, 2018

Dear Parents/Guardians,

In order to maximize instructional activities and enrich our Guaranteed Curriculum, we are asking parents to contribute \$10.00 per child as a supply fee. These funds will help provide consumables and instructional supplies to enhance and reinforce the classroom program.

We believe that the “extras” these funds can supply will be valuable tools in helping our students reach the high levels we expect in our school.

Please send payment in an envelope labeled “Supply Fee” with your child’s name and teacher. Checks should be made payable to LES. We will also have the fee available on My Payments Plus at <http://stpsb.org/OnLineFees/indexonlinefees.htm>.

Thank you for your cooperation in this matter.

Sincerely,

Susannah Welch

Principal
