

# VISITORS AND VOLUNTEERS

As much as we LOVE our parents, at this time, LES can not have any visitors or volunteers on campus.

If you need to check in/out your student at the front office:

- Please call the office phone number at 792-0156 when you arrive as the front door must remain locked.
- Please bring your Driver's License, cell phone, and a pen.

All PTA Meetings, 504, IEPs, and Parent/Teacher Conferences will be held virtually until further notice.

\*If it is absolutely necessary for you to enter the building, you will be subject to a wellness screening.
